Whenever SOP norms are relaxed and lockdown restriction is lifted, we will be calling rest of the trainees in a phased manner ensuring that social distancing is maintained, overcrowding is avoided and other preventive norms issued by authorities are strictly followed to ensure safe atmosphere in the campus.
8. It may be noted that IGRUA does not have any quarantine facilities for trainees/staff/residents and the district authorities will not be able to provide us because they are already in shortage and had approached us for quarantine facilities which we could not provide.
