कर्तव्य एवम उत्तरदायित्व
Duties and Responsibilities

He/She shall be required to conduct MCC training and the CRM and MJO course which shall also include theoretical knowledge. The instructional component of MCC training will concentrate on the practicalities of working as a part of a team to provide a sound footing on which subsequent CRM training may be built. Practical training shall take place in a FNPT. The incumbent will be required to prepare study material accordingly. This material should cover the minimum technical and performance knowledge requirements and standard operating procedures needed to successfully operate the FNPT and accomplish the required exercises. Practical training sessions are to be of suitable length to meet the objectives of the course but no more than a 4 hour session in the FNPT used for the training, comprising 2 hours pilot flying (PF) and 2 hours pilot monitoring (PM), The training should be completed during a single working day for an individual cadet. Appropriate provision for pre session briefing and post session de-briefing is to be included in the training program.
